Study plan Master Computer Science, start in winter or summer term

	1st Semester	2nd Semester	3rd Semester	4th Semester
0 ECTS	Core module	Core module	Specialization modules	Master thesis with defence
5 ECTS	Core module	Seminar		
10 ECTS	Core module	Specialization modules		
15 ECTS	Specialization modules			
20 ECTS		Project group		
25 ECTS				
30 ECTS				

Legend:

- Computer Science (core modules)
- Specialization (elective modules, seminar, *practice modules*)

Eligible core modules: (G) = in German

- Computer Graphics II
- Embedded Systems — Database Systems II (G)
- Computer Architecture II — Software Engineering II (G)
- Parallel Computing — Computer Networks II (G)
- Algorithms I — Logic II (G)
